

Brickform LIQUID RELEASE

PRODUCT ID: LR

BRICKFORM Liquid Release, Colorless Bond-Breaker For Stamping BRICKFORM Liquid Release is a colorless bond breaker, formulated and recommended for use with all BRICKFORM Texture Mats and with many other architectural concrete texturing systems. BRICKFORM Liquid Release forms a lubricating barrier that prolongs the life of the imprinting tools by decreasing the friction between the mats and the concrete.

Prevents Mats Sticking To Concrete

Easy-To-Apply Liquid

Prolongs Tool Life

Interior/Exterior Use

Apply With Sprayer
